### Update...

Every 39 minutes a new Assemblies of God church is planted, that's 13,319 new churches per year! It is our joy to assist this growing church with their construction needs as God gives us grace and wisdom to the work He has called us. In the eight months we have been at Builders International Ryan has traveled to the Philippines, Argentina and Paraguay, and will be in Belize, South Africa, Congo, and Belgium before the end of this year.

### South Texas Construction Missions Trip - September 2010

Thanks to Johnny Gravis, Darrel King, Tim Seager and our South Texas District Missions Director, Roger Bailey, for their hard work this September in Buenos Aires, Argentina, at the Rio de la Plata Bible Institute! This trip consisted of concrete and masonry work. You have an opportunity to help finish what South Texas has started! **South Texas Men's Ministries has partnered with Builders International to send a team to help work on the Bible school, September 10-18, 2010!** Please let us know if you would like to be a part of this team!

Asher...our little love bug!

### Mini Moore's . . . [www.ryanandlaci.blogspot.com](http://www.ryanandlaci.blogspot.com)

Lynzi and Asher have adjusted well to life in Ozark, Missouri. They will both be headed on their first trip as missionaries for the Builders International Vision Casting event this November in Belize! Lynzi officially asked Jesus into her heart on September 27th at James River Assembly's "Zoooper Church"! She started playing soccer and she can work that ball...and knows how to make her way to the goal! Asher is still a sweet, snuggly, love bug...however, he can make a mess in no time and is especially fond of shoes, any shoes, on his feet!!!

Lynzi the soccer girl!
