### Itineration Update

**Points of Prayer:**

- Favor with churches, pastors and individuals in raising the necessary support to get to the field.
- Travel safety while on the road of itineration.
- Projects currently underway at Builders International.

Ryan has now completed his time of service with the U.S. Navy! We just moved to Baytown, Texas to itinerate full time. Many of you have asked how you can give to our ministry, so we have included a commitment form with this newsletter. You can fill out the form and send it in by mail or fax or you can simply go to our website to do this at [www.ryanandlaci.org](http://www.ryanandlaci.org). Pastors, if you would like to schedule a service with us, we would love to hear from you! Also, if you are currently supporting us, but have not yet sent in a commitment form...that is so important to get us to the field as soon as possible. Thank you for your support!

### Our Goal

Since Ryan was deployed, it pushed our goal to finish itineration by the end of 2007 back several months. We are now hoping to be finished within a year from now. So our new goal for getting to Builders International is May 2008! We know that God's timing is perfect and we appreciate your continued prayers and support for us during this time.

### Candidate School/School of Missions

We will be in Springfield, Missouri this summer from June 16 - July 19 for Candidate School and School of Missions. This is a time for new missionaries to gather and learn more about their field assignment, as well as everything they ever wanted to know about missions! They have a great daily program for Lynzi with many activities for her to be involved in! At the end of this time, the new missionaries will be joined by veteran missionaries who are home for itineration for a week of meetings and new information for our missionaries from all over the world!

**Please e-mail us and let us know if you prefer to receive our newsletters via e-mail.**

**Lynzi Grace is now 2 years old!!!**

*Ephesians 2:10*

*For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.*
