Update

God has placed a passion within us to go to the "ends of the earth" to fulfill His Great Commission! We have raised 60% of our budget, so we're that much closer to reaching the mission field! We are so thankful for the churches and individuals who are making our missions endeavor possible!

We feel like we have already been "everywhere," just in the last few months of itineration! Since the last newsletter, we've traveled over 15,000 miles through 7 different states!!! Thank you for your prayers for our traveling safety. We definitely feel covered by God's grace, as we have seen God save us from several dangerous instances on the road!

MK (Missionary Kid) Corner...

Lynzi and Asher love each other so much...they are amazing together! Lynzi has adjusted fantastically to being a big sister and she loves her brother and tells us that very often...and he adores her as well! Asher is already 5 months old and growing way too quickly! We are so thankful for both of our little MK'S!
