Itineration Update

After receiving our Assemblies of God World Missions appointment last November, we were off to a great start itinerating (fund raising.) That is until our itineration process was put on hold as the Navy called Ryan to serve a 6-month deployment to serve with U.S. Central Command (CENTCOM) in Tampa, Florida, with overseas travel to Kyrgyzstan. He completed his assignment in October, and we just arrived back in Ingleside, Texas, to finish out his service with the Navy and continue our itineration in South Texas. We are excited to see what God has in store for our ministry.

Our Goal

Ryan is scheduled to be finished with his Naval service in May, 2007, just in time for us to attend School of Missions in Springfield, Missouri for the month of June. After School of Missions, we will return to South Texas to finish up itineration. Our goal is to be on the mission field by the end of 2007. We know God's timing is perfect...thanks for your prayers!

Ephesians 2:10

For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.
